

# CAMBRIDGE ACTION NETWORK

*Bored of capitalism?*

Cambridge Action Network is a local resistance to corporate capitalism, wars, globalisation and the destruction of our environment and community.

We support and participate in the various projects, ideas and direct actions that individuals bring to the group.

Apart from protests and demos, we are currently involved in the Traveller Support Network, community cafes, social centre, critical mass, urban-fitness and producing an ethical guide to Cambridge.

Meetings of the Cambridge Action Network are open and public, all are welcome to join us. Meetings are at 7:30pm on the 2<sup>nd</sup> and 4<sup>th</sup> Thursday of the month.

If you have ideas for actions or you're just interested in participating in the struggle for justice, then email us at [cambridge@lists.riseup.net](mailto:cambridge@lists.riseup.net) or check our website for the latest on our meetings, actions and events.
